C-SPAN -

Ask the C-SPAN viewers,
"How many would be willing to
'BUY' C-SPAN 1/2 from Cable TV
for 'True' independence"

Even the "appearance" of cable influence
is bad. I saw in "Onsat" short article
C-SPAN has joined court action against
Consumer Protection Bill 'AFTER' passage.

Maybe '900' number for call ins.
Regards,

Valley Mills, TX 76689
