Re: Journalist Roundtable babble about someone
Losing there temper

Having been born in a southern culture that
takes pride in being 'cute' and gush and
goo behavior a culture

That gets much pleasure from malice —

— There are those who bad mouth people

There are those who hate mouth people

Some babble some have aggressive mouths

And love to play ooh you lost your temper —
'you raised your voice! you cursed!'
you lose

On A+E was talk about atomic bombs and
possible long term genetic mutation damage.

Thinking of Barbara W Tuckman's A Proud Tower
History 1890-1914

'The epoch whose final years are the subject of this
book did not die of old age or accident but
but exploded in a terminal crisis which is one
of the great facts of history'
