

P. Bill Clinton

L- 27-93

The appointment of The Committee of Seven for the downsizing and closing of our defense system is a breach of trust and a breaking of your oath to uphold protect & Defend The Constitution of the U. S. and is an impeachable act as well as the attack on Iraq? once again killing many people who had nothing to do with the threat to George Bush when receiving an unjust reward for Desert Storm debacle. I feel it was all a set up and most certainly will have reverse reprisals to any and all citizens in foreign countries & Asia.

Read G. Wash. Farewell Address. His warning is still on target. [REDACTED]
