Aw, common, Brian!....
You know very well that CSpan
is biased on the liberal side!
Like my other conservative
friends, I sadly turn off my
TV when I find that every time
(almost) I turn on the set, I
see LIBERAL! LIBERAL! LIBERAL!
You give Gingrich as little
time as possible, but when Ted
Kennedy spoke, this was put on
and on and on all day, 2 days!
Maybe you aren't biased, but
your programming crew sure as
hell are! We love you, Brian,
Printed in Italy but get some fairness
