

38th Mar

Alas, if
we'd
decide
Cook C
the W

man responsible for co-ordination of petroleum,
solid fuel (coal baby not what you youngsters know
as loaded rocks); the man who was in charge of
fisheries on White River; who young Dickes emulates?
I think not - that Harold L. Dickes stood up to
Harry Truman's appointment of E. Paulopolis - in 46
He wrote such works as *The New Democracy* (1934)
Back to work (1935) *America's House of Lords* (1939)
The third term Bugaboo (1940) *Freedom of the*
Press Today (1941) *Autobiography of a Curmudgeon*
(1943) *My Twelve Years with FDR* (1948) and
the moving finger quit having writ in 1952 at
age 69 -

He was an iconoclast and Independent -
Old Stephenopolis - The Kid, without eye contact,
sure didn't learn nothing when he shot
off his mouth to that one - Kids Radical Carrot optima
The old Saline's Solution didn't work in
the Kellogg-Briand days and they won't work now - told ya so
It's Karma Kids - A gutless press so afraid to
loose job security they couldn't press pants with a
mangle - If you had guts you'd nail old
lady Elders for impersonating an officer and

28th March 1994 — The white water - refer Kids
Protesta - Phyla - Cynophyta / Schoyla

Alas, poor Harold we knew him well - What Tangled
web ye Spectre's weave when ya'll practice to
deceive - Let's see was it; the "gad fly of
Cook County"; the Secretary of Interior the Head of
the WPA (Public Works Administration); the
man responsible for co-ordination of petroleum,
solid fuel (coal baby not what you youngsters know
as loaded rocks); the man who was in charge of
fisheries on White River; who young Ickes emulates?

I think not - That Harold L Ickes stood up to
Harry Truman's appointment of E. Paul Goplis - in 46'
He wrote such works as The New Democracy (1934)
Back to work (1935) America's House of Lords (1939)
The third term Bugaboo (1940) Freedom of the
Press Today (1941) Autobiography of a Curmudgeon
(1943) My Twelve Years with FDR (1948) and
the moving finger quit having writ in 1952 at
age 69 -

He was an Iconoclast and Independent -

Old Stephenopolis - The Kid, without eye contact,
sure didn't learn nothing when he shot
off his mouth to that one - Kids Radical Carrot optima

The old Saline's Solution didn't work in
the Kellogg-Briand days and they won't work now - told yase
It's Karma Kids - A gutless press so afraid to
loose job security they couldn't press pants with a

lady Elders for impersonating an officer and

PAGE NUMBER (2)	DATE 28 Mar 194	SUBJECT H ₂ CR ₂ O ₄ vs Fe CR ₂ O ₄ = Hayne's stillites - Oregon Product - Shop at Home
--------------------	--------------------	--

check out her phony battle Ribbons - You'd
press old man Dentson for his phony bank books -
You'd rivet a notice on Hillary's Door - it's a
felony to practice medicine without a license and
if she wants half (or 3/4th) of the Presidency she
better move to a Community Property State & run
that goes for spin doctors too - Jerk Jergan -
