Dear Mr. Lant:

I am very concerned for you, I watch a
lot of C Span. One reason I do is because you
(the channel) has been so even-handed.

Today when Mr. Lapham was on with Cal
Thomas you turned to Mr. Lapham every time -
or so it seemed. I have never seen ~~it~~ ^{it} at any
time before this program. If this is a new
policy you will lose me quickly.

Poor Mr. Lapham - he doesn't understand
morality.

Please do not send me the usual
acknowledgement - Give me a specific
answer to this particular segment.

Thank you.

P.S. Please plan a swing through the
Southern states, and include Shreveport - There
is more to Louisiana than New Orleans.
