Following most programming, you show an address to secure more info. or if we wish to write.

Would you please do the same at the end of the military briefings. I would like to send letters of support to BG Richard Neal, Group Capt. Niall Irving, and Col. Ahmed Al Robayan.

You do a good job of covering the news. Too bad reporters can't stand back ^{look} at themselves. Most other coverage is terribly slanted, generally from a very liberal, anti-government press, solely looking for sensationalism, NOT THE TRUTH! Don't ever believe the public thinks the press is interested in truth, except for CSPAN. Keep up they good work, Your coverage is great!
