Washington, D. C. 20001

Dear Brian:

I've been reviewing tapes that were made for me of interviews with Tim Russert concerning his book, because he's a pal.

There is no question that your interview with him was the best of any on the air.

In fact, this and other such confirm what I think: You are arguably the best interviewer on the tube.

Keep it up and congratulations for all you've done through the many years with C-SPAN.

Admiringly
