Dear Sirs,

This past week on
a call-in program, Bryan
referred to a publication
(magazine) on which the
cover story was "A Star
is Born" & a caricature of
Carol M. Braun was featured;
my question, what is
the name of that magazine?
And where I can
write to get a copy of
that magazine?

Out here in this
waste land it is impossible

(over)

to find anything unless
it concerns western music
or tacos.

Thank God for
C-Span!

I hope you can help
me.

Many thanks,
