Dear C-Span, 002594 MAF. 993

Thank you so much for presenting  
Dana Priest to your viewers this Am.!

Her presentation + responses were  
by far the most lucid I have  
heard to date — I wish she  
could have gone on for another  
hour!

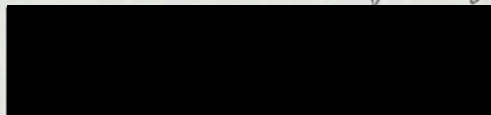

Am still waiting + wondering when  
and if my Representative (Hock-  
breuckner) will ever be a guest on  
one of your interview/call-ins  
and continue to be curious about  
how you choose your House members  
to be guests — or do they choose

you - ?

I have written two letters in this regard during the last 6 months — I have not been able to get thru via phone — and wonder why I cannot get a response.

Even so — you're the greatest thing on TV.

A devoted C-Span Junkie
