Dear C-SPAN,

My name is [REDACTED]

and I love C-SPAN.

I watch it quite

Often in fact, I am

a C-SPAN Junkie.

But I have a prob-

lem. I've noticed

that on C-SPAN

lately that addre-

sses to organizat-

ions or to political

figures aren't put

On the screen that

much any more.

It used to be that

mailing addresses were shown at the end of a program all the time and yet, it doesn't show up any longer. I know C-SPAN gives Web Sites or E-mail addresses but many viewers are not Internet accessible. I love to write as well as send postal mail to politicians

but it's difficult
to write letters
and share my
views with no
mailing location.
Could C-SPAN
please post
mailing addresses
to organizations
and politicians?
I'd like to get
in touch by mail.
I enjoy your
programming,

[REDACTED] 1999
