Dear Mr. Lamb

I enjoy watching C Span very much. But I have a complaint. Since the new cable regulations went into effect, here in Mixot we get part C Span and part C Span 2. This means that on Sunday night we do not get Book Notes or Road to the White House. I really liked Book notes and have really missed that program. It seems all C Span 2 is reruns.

A couple of months ago you ran a special on the sixties I was watching and at six O'clock it was cut off and C Span 2 came on.

I called the local cable Co., but ~~it~~ got no satisfaction. You see before regulations they put C Span 2 on another channel for a few hours.

I am just hoping to get
Book notes some how.

Thank you for C Spaw.

Down through the ages
 The carols have come,
 With a message of gladness
 And joy for everyone.
 Sing out the melodies!
 The Christ Child is born!
 He's the gift we celebrate
 On every Christmas morn.
