Dear Mr. Lamb,

Thanks for your cooperation with Close  
Up. I attended the Feb 22 taping on  
Bosnia with my students and Sen. McCain.  
They really prepared good questions. Their  
parents were impressed with this opportunity.

I use C Span in my classes often.  
I especially love Jounrnost's Roundtable  
and the Sunday am show with east coast  
newspapers.

Sincerely,  
[REDACTED]
