Re Hitchens =
Buchanan -
Lamb

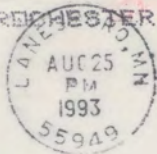

Dear Sir,

Indeed, you "seem" to
give the Conservatives/
Republicans the "best of
all broadcasts" - some-
times merely suggestions
(thinly veiled). But we
do listen to C-SPAN and
are ever-hopeful that you'll
be more fair. Sincerely,

BT - Prud'homme was a crack
at the gate. He's a President
a chance - we want him &
our country to succeed.
