Dear Mr. Lomb,

This is the first time I
have written to any I.U. station.

E Y I. I am 61 yrs. of age
and have just retired to care
for my 90 yr. old Mother who
has several health problems.
I have never had the opportunity
to view C span except occasionally
on week ends.

I want to tell you how much
I appreciate C-span. I am one
of the "silent majority" who are
totally consumed ~~to~~ by the
pressures of everyday living - just
trying to survive financially,
intellectually and spiritually.

Some recent programs I have enjoyed are The great American think off and The white house tour.

I am interested in the appearances of journalists and political figures, altho I must admit I am increasingly ~~skeptical~~ ^{skeptical} of most. I also enjoy "Booknotes" and when they broadcast the dinners in various places.

Again, let me thank you for C. Span. It is one of the primary reasons I pay a \$25.00 cable bill each month. (an ~~economist~~ ^{accountant} would probably tell me I can't afford it!!)

Sincerely

P.S.
Hope you can
read this.
Please excuse
my grammar
