Chairman Dan Rostenkowski
House Ways and Means Committee
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Rostenkowski:

I don't know if you are guilty of the things the Justice Department alleges that you are guilty of or not. But I do know that I have had enough of the endless hypocrisy and deception of certain Washington politicians and the news media.

For months now, we have been subjected to the spectacle of Senators Robert J. Dole, Alfonse D'Amato and Phil Gramm and Representatives Newt Gingrich and Jim Leach, and the news media, demanding full investigations of President and Mrs. Clinton's involvement in the Whitewater land deal. And now that this case appears to be weak and the American people are disgusted with it and want Congress to deal with the real problems of out-of-control health care costs and rampaging crime, we suddenly have another Republican-sponsored scandal - to wit, the belated, bizarre, inconsistent but highly convenient allegations of Paula Jones, who reminds me for all the world of one of those women who insists she has been kidnapped by Space Aliens every year on her birthday. And of course Dole and his fearless defenders of American morality want you prosecuted to the full extent of the law and packed off to jail so they can sabotage President Clinton's health care program with their endless amendments, revisions, objections and delays.

But in the meantime, this same Robert J. Dole

(2)

and the fearless Alfonse D'Amato and the rest of these heroes and those ever-vigilant and courageous watch dogs of democracy, the news media, are hiding and concealing the most horrible scandal in this nation's history from the American people — namely, the mass murders of the former Chairman of Chrysler Corporation and President of Ford Motor Company, Lido Anthony Iacocca.

I send you herewith a copy of my letter to Attorney General Janet Reno of May 23, 1994 demanding that the Justice Department immediately begin a full investigation of this case. And that Lido Anthony Iacocca and all those involved in covering up his crime of mass murder be prosecuted to the full extent of the law.

Since they want to run you out of congress in disgrace and put you in jail, I ask you, are you going to let these hypocrites get away with this?

Because I was told by your office that you don't have a FAX machine, I am sending this to you via the FAX of President Clinton's Chief of Staff in the White House.

Sincerely yours,
