I think you have gotten "out of Balance". Every time I turn on C-Span I see Bob "Doodoo" Dole & Republicans. They don't want our president to put this country back on track — at any cost. They are already "running" for '96.

I understand you are "privately" funded — Probably by David Rockefeller & his Think Tanks!

An immoral 20 year war in Vietnam, Huge deficit budgets by Reagan & Bush, giving away entire industries has put our country in crisis —

Shame on you for insulting our intelligence.

For 20 of the Past 24
years The Republicans have
been in Charge. The
declining Middle Class
is the result of their
actions.

Western Civilization as
we have known it will
not survive if we don't
change directions.

Destroying The Middle
Class is what Lenin did!

In Case you haven't noticed
the Republicans "calling" network
ties up your lines. You
need a "For" + an "Against"
phone # —

Republican dirty tricks are
still happening.
