BREWER, MAINE 04412

May 14, 1995

Dear Ladies and Gentlemen:

On behalf of the five Close Up Students of Brewer High School, we would like to express our deepest appreciation to you for enabling us to participate in the CLOSE UP Program. We have recently returned from a week (May 6 to May 13, 1995) in Washington D.C. that was educational and entertaining. We were able to participate in the program with students from Oregon, Wisconsin, Michigan, New York and Maine.

The activities that were planned for us were very well organized, interesting, and extremely educational. The workshops and seminars enabled us to take a good close look at our democratic process. We had every opportunity to ask many questions and get into small group discussions.

We made many new friends and were able to learn about people from other parts of the United States.

The entire week was so exciting; however, without your interest and support, our week would not have been possible. Many thanks to you for giving us a week that we will never forget. We sincerely hope that you will continue to support CLOSE UP so that others will be able to experience our government through CLOSE UP.

If you would like to talk to us about our experiences please call Brewer High School [REDACTED] between the hours of 7:00 a.m. to 3:00 p.m.

Thank you again for supporting an outstanding program.

Sincerely,

1995 CLOSE UP STUDENTS
