AUG 16 REC'D

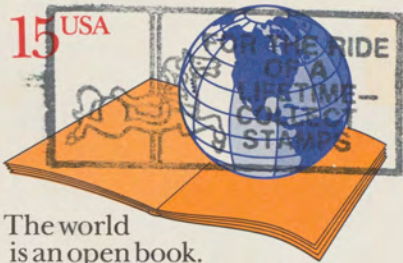

August 11, '90

2660-90

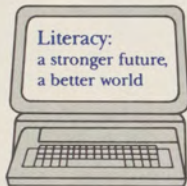

Susan, Your Journalists' Roundtable, Fri., Aug. 10, was marvelous (really!). The three journalists were so well informed + so thoughtful. Have them back again, please!

I do enjoy C-Span so much. I read mostly the LA Times and sometimes the NY Times. But I appreciate hearing the different people whom you choose from so many publications. You do an excellent job!
I shall see you again soon!
Sincerely,

SEP 06 AMST
