Re: C-Span's Ben and Dan Wattenbergs
Enlightened Interview!

To: Ben and Dan Wattenberg, what a pleasure to see and hear your open-minded, intelligent, pro-U.S., patriotic, yet objective views. In a media dominated by doom and gloom, America bashing demagogues, your voices for positive, reasoned, accurate and even-handed observations, are indeed refreshing and a welcome counterpoint to the litany of the USUAL Media trash! Your observations re: Roe v. Wade are likewise correct. On the matter of Nominee Clarence Thomas are likewise valid for the same intelligent valid reason. The U.S. has a vitality that the rest of the world strives to emulate and the above cited doom and gloomsters are largely to blame. In closing, keep up the good work, especially in exposing the biased coverage of the leftist/liberal America bashing media demagogues. They make us grateful for guys like you two!

Sincerely,
