Dear Mr. Lamb,

Watch You every day
and it has been wonderful,
however there is very
little time given to anti-
NAFTA and we do need
Your sense of fairness to
get some balance. The
networks have effectively
shut-off almost everything
that needs to be explored
and it pains me greatly
to think C-Span could

be so over-shadowed.

I'm waiting for your simulcast
of Chuck Harder. You've had
a steady parade of pro-NATTA
types who haven't even read
the agreement. Neither have
the Senators or Congressmen
who are so glib about it.

of the 40 people you call to
be on C-Span there are
dozens of anti-Nafta folks
out there. What about Morsy,
Kaptur, Bonior, Gephardt,
Kennelly, Blumenthal, Gerdner,
everyone on the "Economic
Policy Institute who wrote
the briefing paper? Rep.
Gonzalez. I'm sick over this.
