

2 June 1993

Just a short note to tell you how much I enjoy CSPAN and CSPAN2 and the diversity of programs.

I particularly enjoy Booknotes and the Live Call In programs, especially when dealing with the money issues; i.e., taxes and health care issues.

[REDACTED] I watch the CSPANs about 4-5 hours per day on United Artists Cable of the East San Fernando Valley.

I have had cable TV since 1982, so I have watched CSPAN almost from the beginning.

I must close with a programming note, I very much like your new graphics which began June 1st. The graphics, red, white and blue are much more modern and much easier to read.

Thank you again for an informative television network.

Sincerely,
