Dear Sir - Mr. May C. Span
very much and I was especially
interested in your interview with
Clifford Stoll early in Dec. I ordered
his book immediately, "The Cuckoo Egg".
It has just come in so I'm
making it this week end.
(over)

His background was so interesting
and you brought him along in it so
beautifully. But when will we ever
hear more of him ???

The Friday journa lists can
always be counted on to be interesting
Many Dodge City people watch for
