Dear Mr. Lamb,

I am a faithful viewer of many of P. Spence shows, and want to express my appreciation to you and your staff for what you have done and are doing to educate the public about their government in a fair, non-partisan way.

Although I have never placed a call, I love your views, particularly on the Operation show, particularly The Operation Roundtable — and especially when you are the moderator.

Ever since last summer, though, a question about one of those shows has stuck in my mind: Why would you consider a demagogue and a bigot like Rush Limbaugh to be a member of the journalistic fraternity?

Sincerely,

[REDACTED]
