This war wouldn't have to be. It seems the trouble started in 1967, since Israel held the occupied territory of the Palestinian. There been trouble from 1967 to 1991.

When Bush wanted Hussein out of Kuwait Aug 2, 1990, Why didn't Bush and Reagan ask Shamir of Israel to return the occupied territory back to Palestinian, as Bush wanted Hussein out of Kuwait. To day there wouldn't be a war that cost a Billion dollar a day and if a ground war, heavy casualty of lives.

Hussein wanted to leave Kuwait if Israel pull out of the occupied territory that belong to the arab.

The United Nation Security Council should ask Israeli to return the occupied territory back to the arab, and Hussein pull out of Kuwait.

The war could be over if everything done right. The right way is that Israel's return the occupied territory back.

There would be peace in the Middle East.

But you still have trouble in

3 eastern Europe,

Bush and the United Nation Security Council could prevent war in the Persian Gulf. If they made Israel return the occupied territory back to the arabs,

If Bush was so touchy about Hussein going into Kuwait on Aug 2, 1990 why didn't he get into the arab WORLD business and demand Shamir of Israel to return the occupied territory back to the arabs,

If Bush wanted Hussein out of Kuwait he should wanted Shamir out of the occupied territory belong to the arabs,

The Western world should <sup>SEE</sup> to it that Shamir is trouble to the arab world as Hussein.

Japan in Dec 7 1942 made a sneak attack on the United States. But the U.S.A. defeated the Japs and gave her territory back. Why couldn't Israel do like the United States did. Give back the territory. To day Japan is the second Wealthy nation

You Buddy soviet Union is kicking out 35,000 jews. and they're settling in occupied territory

The UN Security Council could end the trouble in the Middle East 23 years ago,

3/ They wanted Hussein out of Kuwait, why not Shamir of Israel out of its occupied territory,

Israel should do like the U.S.A., there wouldn't be no trouble. If Bush wanted Hussein to give Kuwait back, why don't Bush do the thing right since he got far into this, He should ask Israel to give back territory that not her,

Israel is wrong as Iraqi, when Bush for the sense to know Israel is wrong also, maybe the war could be over and not the heavy casualty, possible a ground war,

since 1967 Israel had kill 700 palestinian and have them so they can't work and have them on tough curfew,

So the UN think this is right, how far is they say Hussein is wrong, if they let Israel get away ~~with~~ with lot of dirty dirt,

If you get one, get the other one, they is dirty on Hussein,

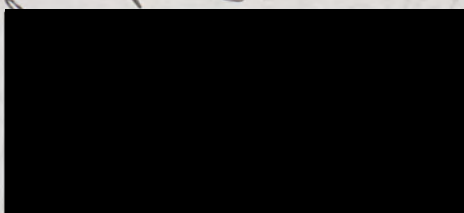

This ~~war~~ war could be over if you make your Buddy Israel return territory don't belong to her.

4 For instan. people across the  
country praying for the war to stop,  
and Bush call Billy Graham to the  
white for prayer. Why dont Billy  
Graham tell Bush in prayer that  
Stamir is wrong as Hussian and  
that Israeli is treating the  
palestinian like dogs, people make  
out they are church going christians  
should see the right thing of their  
war, not the wrong, wrong in Israeli  
is much responsible as Iraq.

People should pray right and believe  
right, people putting up yellow ribbon  
for what, people praying across the  
country for what, there are more  
devil than Hussian, Instead one devil  
get the other ~~devil~~ devil to,

Stamir give back the occupied territory  
Hussian get out Kuwait, there wouldnt  
be any trouble

If you want Hussian out  
see Stamir give back the occupied  
territory, then people across pray  
is not deceitfull.
