

MON., AUG. 28

Dear C-SPAN folks,

I love everything about
C-SPAN except Point-
counter-Point. It gets me
nervous, angry + uncomfortable.
It's not my C-SPAN, then.

I also wish we'd all
quit saying "Thank you for
C-SPAN", "I love C-SPAN",
etc., taking up time. The
"Likewise" idea was great.

Keep up the fine work.

Sincerely,
