

Dear Sirs: CC: T. Murphy; S. Trahern ^{Nov 15, 1990} ✓

Why are you giving extremists an
unchallenged forum of the worst kind?

We must question why the media here
in the U S A has done such a poor one
sided job of reporting the news.

Perhaps the answer lies in the fact
some segments of the media harbor a
political predisposition for the Palestinian
cause.

— now another diversion — the shooting
of Palestinians by Israeli police is strictly
a planned maneuver by Hussein & the P.L.O.
By having 3000 Palestinians attack worshippers
& draw fire from Security Police; Hussein distracted
the world attention & shifted the focus away from
the rape of Kuwait. Very Truly Yours
