## ~ Author's note on transliteration

Transliterating terms from Arabic, Persian, and Turkish into English is never easy. In Arabic, for example, the name Hussein can be spelled more than a dozen different ways. Therefore, I have used English versions that commonly appear in American newspapers and newsmagazines.

E.S.

In recognition of the importance of preserving what has been written, it is a policy of John Wiley & Sons, Inc. to have books of enduring value published in the United States printed on acid-free paper, and we exert our best efforts to that end.
