

Tell Kate Michelman to go "leak" on Barbara Mikulski. And tell Heflin it is O.K. to "leak" in his clown suit because he does not need it to be a big, fat clown!

Jesse Jackson last Sat., Nov. 2, 1991, on C-SPAN at Gator. Sanders said he had conferred with Democrats like Sen. Byrd. I hope they understood his "orders." They probably called in Jim B. and everyone "leaked" on each other!

Do you think that the Clarence Thomas-Anita Hill "circus" could have triggered the massacre in Texas by the deranged man who "hated women?" If so would this make the U.S. senator(s) and/or staffers who leaked the FBI report to grasping so-called reporters any more liable to criminality? Just check the coincidence of times involved!

Do you know that the "special interest" groups, NOW, People For The American Way, etc., have secretly selected a "hit list" in revenge. If they get away with "trashing" the three greatest senators in the U.S. senate today you should be ashamed! I mean Senators Hatch, Specter, Simpson,
