Dear C Span, MAY 24 ANST

I want to write and thank you. I was one of the over 700,000 people who attended the "Rally for Life" in Washington D.C. on April 28.

I believe you to be one of the only stations who did honest reporting on the rally.

A news report should do just that, report. I have grown so sick of manipulation attempts by the media. It is an insult to the American intelligence.

Our cable does not carry your network. I sure wish we did. My friends in a town very close to us told us about you. We all are very impressed by your fair handed coverage.

On the other hand, I have just written to CNN telling them I will no longer watch their "news coverage". They reported our number to be around 60,000.

I asked CNN to realize all the 700,000 + people went home from the rally with a different story than they carried. CNN and others like them surely lost Credibility with thousands and thousands of viewers.

Thank you again your honesty is showing.

Sincerely,
