

Mr. Lamb - I have seen the C-SPAN School Bus at many different functions. Most of these functions are of a "liberal arts" format. Museums, Speeches, technology shows etc. Will the School bus ever show up at a skeet or trap shoot? Will the "bus" ever go to Camp Perry, Ohio for the shooting events there? Will the "bus" ever go to a machine gun shoot? There are Americans at these events & they are responsible with firearms. How responsible, is C-SPAN?
