I watch C-Span because it is our history in action. C-Span is a positive effect in shaping our future by bringing to us, the video viewers, those involved in our government. As we listen, see, and evaluate the messages that are brought to us by the many government leaders, workers, and associates we will reply by our vote, pocketbook, and our voice. That we will. C-Span provides us a more true insight, perspective, and ideology of those involved in government than any other media. C-Span will greatly effect the future of America for good. As basicly people of America are good, they will make intelligent choices and those more abundant choices are brought to us by C-Span. I appreciate and am thankfull for C-Span, Keep up the good work. May you be blessed as you at C-Span continue your good work.

Respectfully,
