

Dear C-Span,

I've heard a lot of bull on your network, mostly from Democrats. But the most outrageous bull I ever heard come from Tricky Dicky as regards to his disregard of our 2nd Amendment rights. IKE was right about this ex-criminal. With his disregard of the Constitution while he was president pledged to uphold surely deserved a prison sentence.

A government that tries to take away the citizens arms, does not deserve to be listened to. That's what led to the confrontation between the colonists & the British at Concord Bridge. The British were coming to seize their arms.
