A short time ago I heard just part of an announcement that said you had prepared a video of the Richard Nixon funeral at Yorba Linda Calif but that was all I saw. Am sure there was more but I had not tuned in soon enough.

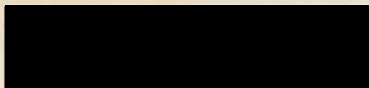

I assume that your video would be substantially the same as what I saw on the network I was watching & about $1\frac{1}{4}$ to $1\frac{1}{2}$ hours in length.

If this is correct please send me info as to how I would order one & the cost including mailing charges. Am enclosing a stamp for your reply.

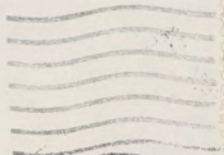

Thank you.
