BRIAN LAMB

DEAR SIR:

I saw on C-SPAN your program
on the Lincoln - Douglas debates. I
am very excited about them. Can't
wait, now.

I am an 80 year old woman
who has watched your Programs
since you started. It is the best
on TV. Thank you.

I have watched Bill Clinton
and Al Gore since New Hampshire,
their Bus Campaign, till the Election
Day, thanks to your wonderful
C-SPAN coverage. C-SPAN and you
can never be thanked enough.

I never knew about the Wash. D.C.
(over)

Government till I started watching
C-SPAN, it has been a wonderful
experience for me and my family,
you could never be thanked
enough for what you have done.

It is a shame that many of our
children cannot read or ~~write~~
write.

When T.V. could be a great teacher.
Instead of all the junk on T.V.
It could be used as the best
school in the world. What a waste
of the best invention the world
has ever known.
all over the world in small towns
T.V.'s could be put in to teach
reading + writing, etc. It could be
called World School,

We love your C-SPAN

Sincerely
