I'm sorry they drugged that poor girl
off her death bed to testify before
congress. Kimberly Bergalis. Her
parents had no consideration for
her, whatever.

God is God's judgment on an
immoral society, and there's nothing the
government can do about it. Putting
people in jail will not stop the spread
of AIDS. It will be out of control by the
year 2 thousand. But the blame where
it belongs. Blame the homosexuals.
The Wages of sin are death.
