Dear Mr. Lamb,

I have watched your morning round table, call in show since I became disabled in February 1992. I can no longer stand it. You have three phone lines. Two Democrat and one "I used to be a republican" line. I also hear a lot of the same people seven or eight times a month. I try to call once in awhile. I got through twice. Both times I somehow mysteriously was cut off. So now I'm forced to watch The Imus show. C-SPAN use to be above board, now it's over run by cheats.

Thanks

W.W.
