PETITION TO C-SPAN:

How dare you? How dare you show a Republican Town Meeting twice but not show the President giving one of his several speeches over the last weekend?

We, the enclosed, have had it with your prejudice. If President Clinton has a new conference, you have to show Bob Dole afterwards. Why don't other networks do that? Doesn't being President mean anything to you? How dare you elevate Bob Dole and Ross Perot to the equal status of the President of the United States.

You are a funded network and we are sick of your prejudice against Mr. Clinton. And we're not going to put up with it. We'd rather go without C-Span than be subjected to your bias.

Your lame programming is another matter. Some of the people and events you cover are not more important than the Dog Catcher. And your obsession with gavel to gavel coverage is inexcusable. And then you cover that awful, self-indulgent "Special Orders" segment.
