Dear Sir:

S-Span is doing a terrific job. It's too bad the homeless, the poor, and the low middle-income can't be represented. We can't afford a phone, let alone a phone call in most instances.

Our country is misrepresented, misinformed and misled by Cult leaders like Bob Dole, Kobsch, Polls, calls and commentators who know nothing or no more about how to run a government than you or I.

You see the disrespect that Bob Dole and others have against our President Bob Clinton - readily.

... Bob Dole's Cult members say
No taxes - cut spending without
knowing anything about what
they are talking about. Only
because Bob Dole says it.

Even reporters (not all - but
some) show little respect and
courtesy to our President. Anyone
who watches C-SPAN can
see those readily. All of a
sudden, some people discover
that we have Gays & Lesbians
in our society and know all
about how to settle all the differences.
People who call in finally know
how to tax and how to hire
workers and what to pay them.

The economy isn't going to be
improved by Cult leaders who
oppose honest and fair government.

Our country is being divided by
our media and lack of knowledge,
about Truth, Honesty, Fairness, Values, Reasoning,
and Judgement.
Thank you,

Leington, NE. 68850
