MAY 07 REC'D

Dear C Spar,

Thank you - Thank you C Spar for having Representative James Traficant on your call in Show Wednesday morning May 2nd. You should have him or some one like him on every week. I am alone in America and who wants America to stay American - not Japanese or some other Foreign run America - President Reagan loved those Japs so much he invited them over - take all of America you want - Buy Hollywood - Buy Rockefeller Center - take over our American Industry - why? Because Reagan was out to destroy our Labor Unions and make American Workers work for Pennies - he also hated Welfare for the Poor - disabled and Babies and Elderly - He took that Welfare away from the Welfare Queen and gave it to Big Businessmen - to HUD Administrators - S & L Big Shots - The Players in Financial Markets - Take Overs - Big Business buying up other Businesses then selling it piece by piece - some of it to Foreigners Well after 10 years of that kind of Running America, we need more members of Congress who think like Congressman Traficant - I can't hear enough from him - Please Promote America for Americans

by Saving Call in Guests who want American
Tax Dollars to Promote The General Welfare of
America - keep Foreign Governments out of our
Politics - Japan has such a hold in our
Federal Government, that they are telling Americans
what's wrong with America - Get rid of Credit
Cards - Make People Save - so that S & L's
can rip them off - we are dumb - we
can't read - write - have no skills - our
Education stinks - Well we (C Spar) ought
to tell it like it is - Japan can talk big -
their Government subsidizes their Schools - their
Businesses - and they don't have refugees from
every Country in the World - living off Americans
Welfare - jobs - housing - Get some one on your
Call in Shows to talk up "Buy American" - quit
fucking Foreigners - they don't pay our Taxes
but we give them aid even when we owe
them billions of dollars - that don't make sense -
borrow from Foreigners so we can pay for
Defending their Country.

You are doing real good C Spar - I
am a Fan of yours - but you really are thoroughly
happy with Thapacant on your show - Play it
again Sam (Drew Spar) sincerely 1. Liberty, MO 64505
