Re: IMUS In The Morning show

Dear Mr. Lamb,

This letter is sent seeking your help. I was not aware you planned to simulcast the entire show and so wasn't prepared to watch or record the program. While I would like to see the programs featuring other hosts, Imus is my favorite (read Hero). Will this be rebroadcast and when?? If not, could I borrow a copy of this tape from your company or WFAN ?

Thanks in advance,
