Dear Sir

I have tried Endless times to get on C Span but have been unable to get through. Will you please read this on C Span.

I am a mother, Grand Mother, Great Grandmother. I was a Democrat, but not any more. When the Democrats voted these last two terms they voted for Homosexuality, Adultery, Abortion, Lying & a man that said on T.V. he had been on Rape. A man that was called to fight for our Country & Refused to go.

The Boy Scouts of America are Ashamed of him & how he has Conducted him self in office.

I Can Not believe the Democratic Party has Stooped

that Low - we believe how
we vote or we vote a lie.

It seems the Democratic
Party have all gone Hollywood.

I read that General Ling
Rich Hollywood Men have
Already told Clinton they would
Build him a large home
in Hollywood If he was
Impeached. Where him & his
wife could continue their
life styles there. God help
them all.
