Dear C Span,

MAR 5 - 1991
I get angrier, and angrier everytime I hear
such people like ? Devise trash C Span - CNN,
Peter Arnot, Bernard Shaw etc. As far as Charlton
Heston wanted Bernard Shaw to be debriefed (tell all
he saw and knew while in Bagdad - I would like
Charlton Heston to make the same request of George Bush
to tell all he saw and knew about the Iran - Contra scandal
while he was Vice President - This is the only area that
I criticize the Press "Where were they when the
Secret sale of Arms to Iran at Bootleg prices in order to
fund - train and arm the Contras to overthrow their
Government? I think either they were asleep at the wheel
or were afraid to make Public what the entire 2 term
Reign of Dishonesty, secrecy, and fraud of the Reagan Bush
Administration were doing in the White House Basement.
We had to get this information from a Foreign
Rag (Reagans words) You notice all the Criticism of
the "Whole" Truth that C Span and CNN are trying
to make Public since they opened shop - so that "We
The People" The Tax Payer don't have to get the
Truth from a Foreign Rag. More Power To

you Mr. Turner and all your employees and
Journalists for giving us the Truth instead of
Government Censored News that we have gotten
from the other Networks every since the Law
Suit against CBS Interview with Westwood
I watch local News on the Networks - Political
and World News on CNN and C-Span - Please
why don't you reveal the Positive letters you
receive from your viewers - I am a constant
Watcher of your Cable News and believe it is
the Truth I am hearing -

Why don't you get Peter Arnot and that
Irvine fellow face to face after the War is over
Let Irvine produce Proof of his accusations
of Peter Arnot - then later let that Pious
(I am always right Alan Simpson and Dornan)
face Peter Arnot with proof of their accusation

Please you need to let the Viewer hear both
sides and make up their minds - otherwise more and
more criticism are going to be lodged against
Our First Bill of Rights - Freedom of Speech -
and Freedom of the Press - if these freedoms are
taken away from us so will CNN + C-Span - Please

Don't let that happen to those of us who
want to hear The Good and The Bad of Our
Federal Government and The World. We still
have Our Constitution and Bill of Rights on
Our side - but if President Bush gets away
with lumping all Countries together under the
same Laws (and believe me this goes Our Constitution
(which the Republican Party wants to rewrite) in
President Bush's New World Order - Headquarters
in the U N and King George Controlling it.

If you don't pursue your Rights for
Freedom of the News and let these debates by
the Critics of Our Right to hear the Truth and
the News Media and their Journalists the Right to
defend the Law of Our Constitution - If I was
Peter Arnot I would see Levine - Norman -
and Simpson - let them put their foot where
their Mouth is - The Censorship comes from
the Republican - The Famous Cover-up Party
Who do their misdeeds in secret and with their
Propaganda against the Truth, try to fool "We
The Voter." I don't have any shades in dark Sand
Sincerely [redacted] 64068.
