Sirs:

I am a big fan of C-Span - especially
"Booknotes" - great program! I never miss it.

I am especially enjoying the series you
are having on "The Presidents". I have one
criticism: I really dislike the call-in portion.
I think that is boring and not informative.
It really takes away from the rhythm of the
program. I like to be educated - but the callers
are boring and usually just like to hear
themselves expound. I have been taping the
broadcast and then fast-forward through
the calls.

Thank you for your time.

Sincerely yours,

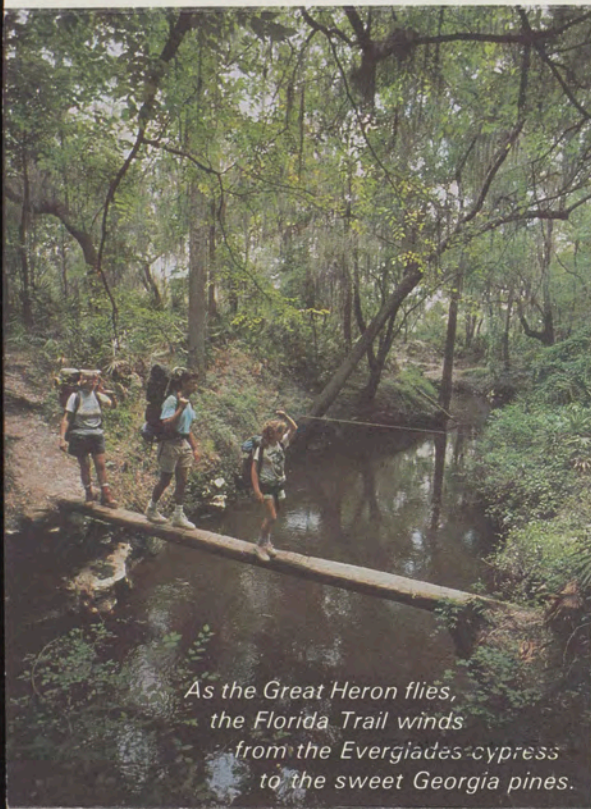

P.S. - I had the opportunity to meet Brian Lamb
here in Sarasota about 1 yr. ago. We have a mutual
friend Rod Warner and his wife Vicki.
