

Dear Mr. Lamb, 594 JUN 193

I would like to sincerely thank you for corporate contributions that allow the Close-Up Program to operate in Washington State.

The Close-Up experience was very Wonderful. I said "Hello," to Bill, and shook hands twice with Al Gore!

I would like to be President or maybe Governor someday, and the Close-Up experience was a great Spring-Board for my aspirations.

Thankyou Very Much,
Vice President of [REDACTED]
