

Dear C-Span,

5-13-90 Sunday

1843-90
MAY 18 REC'D

I am BAFFLED by your little scheduling printouts on screen. The times shown have nothing to do with broadcast times, ET or otherwise, here.

Please send some sort of schedule for telecasts of Senate + House business topics + times. I am only interested in environmental issues. Right now, it's near midnight, + I'm waiting up to see when "Old Growth Forests" hearings starts, AND, I have to work 16 hours tomorrow!

Anxiously awaiting your prompt response.

Exhaustedly yours,
