The lands of dreams, the islands
of paradise. Let Empress flights
make your dreams come true.

April 10, 1999

Gentlemen:

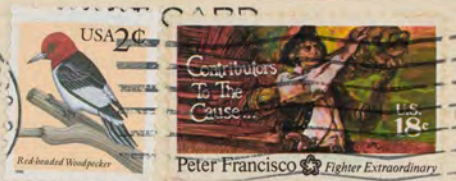

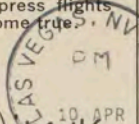

I preised you for allowing us
to see, however unfrequently, the
true story about Kosovo bombings
by US/NATO thugs on Yugoslavian
TV news. We do not know what time
of the day you'll show it. Is there
your program you could send me or
I could subscribe to. Thanks. Pls
send me one.
