'TALKING-POINTS'

(William Jefferson Clinton as THE VICTIM)

By [REDACTED]

Mendaciousness being de rigueur for our ruling class
Only a fool would want to be a member of it's cast
Nympholepsy consisting of ambition without any intellect
Inaugurates the debilitation of one's own self-respect
Confabulating about fancies that dance through your head
Alas, two can keep a secret, if one of them is dead
Leeching on another's weakness, as a power play
Execrates the abuser to moral decay
Where is your guilt, where is your family's shame?
Instead of posturing for fifteen-minutes of fame
Naively confusing notoriety for notability
Stercorem pro cerebro habes, an idol you will never be
Kakistocracy is an abomination to Mother Nature's plan
You would never be a fit First Lady for any proper man
