Dear Mr. Lamb;

I want to take this opportunity to thank you for supporting the Close Up for new Americans Program;

My name is [REDACTED], I'm one of the students who's had the opportunity to visit Washington D.C., I come from Baja California Mexico. I enjoyed the Close Up Program, It helped me a lot to meet and participate with other people.

I liked it and I learned about U.S History, a lot of rules and things about how the government works. I feel that I will never forget this wonderful experience.

Thank you
Very much

Sincerely,
[REDACTED]
