Dear C-Span;

You have probably heard
some of your viewers call
in and quote or talk about
Chuck Harder from Florida.
He is only broadcast in our
area and many other areas
on shortwave radio. I have
learned a great deal on many
topics from him and know
the American people would
enjoy hearing his thoughts on
C-Span.

I am a member of United We
Stand America and we really
want the country to hear both
sides of the NAFTA treaty. Mr.
Harder will definitely give

you. good, substantiated
information on N.A.F.T.A. He,
unlike most of our congress-
men and many others, has
read the treaty. I have too,
and being that we have
already lost 600,000 jobs to
Mexico, we are urging every-
one to get as much information
and details that they can.

Brian Lamb's program
with Ross Perot was just
outstanding. Truly an award
winning show! Thank him
for me. Also, your tireless
coverage of the Governors' Conf.
was superb!

Call or write if I can help
you in any way. Sincerely
